

MEVOTECH

SUPREME CONTROL ARMS

**ENGINEERED
TO LAST LONGER**

**DESIGNED
FOR EASIER
INSTALLATION**

Superior Durability for Maximum Uptime

Engineered for increased durability under all conditions, Mevotech Supreme Control Arms feature exclusive upgrades to excel in the most demanding operating environments. Plus, innovative Labor Savers, from pre-assembled components and additional hardware make your auto repairs faster and easier.

Sintered Metal Strength

Get longer part life and extra durability with tough, self-lubricating sintered bearings.

Ultimate Performance

Enhanced forgings and cross sections for increased strength and durability.

Upgraded Bushings

High-grade rubber bushings with filled-in voids for toughness and knurling for added bite.

Corrosion Protection

Prevent rust build up and increase longevity with long lasting anti-corrosion surface treatment.

High-Performance Control Arms that are Built to Last

Designed for fast and easy installation and rigorously tested to ensure real-life durability and performance, Supreme control arms deliver strength and performance where it counts.

Part of a Job Well Done

Supreme control arms are built to last, no matter how demanding you are on your vehicle. With engineered component upgrades, Supreme control arms deliver maximum durability and increased part life for high-usage commercial and passenger vehicles.

Labor Saver Advantages

Save time and money with everything you need included right in the box.

X-Factor Upgrades

Engineered enhancements and upgrades that maximize durability and performance.

Innovation You Can Trust

Make Mevotech innovation your advantage with over 12 patented chassis technologies and counting.

Quality You Can Count On

Rigorous testing means Mevotech parts outperform time after time.
